In the midst of all my darkness, baby
You came along to guide me
You took pity on a lonely man
When you said you'd stand beside me

I'll never forget you
For what you've done
I'll never turn my
Back on you for everyone

I've got so much love to give
Baby, I've got so much love to give
Girl, there's more than enough
To last a whole life through
And it's all for you

My world was cold and empty
And my life was so unfilling
When I needed someone to pick me up
Ooh, girl, you were, oh, so willing

Now to you, that might
Seem like a little thing
But to me, it's like changing
Winter to spring

And I've got so much love to give
Baby, I've got so much love to give
Girl, there's more than enough
To last a whole life through
And it's all for you

There's so few women nowadays
Who understand the soul of a man
They're always on the taking end
Never giving, never offering
A helping hand

But, baby, I can count on you
Whenever trouble calls
You see me through

You show your love, girl
In so many ways
And I'm gonna love you
The rest of my days

Oh, and I've got so much love to give
Baby, I've got so much love to give
Girl, there's more than enough
To last a whole life through
And it's all for you

(So much love) so much love
(So much love) so much love
(So much love) I've got so much love
(So much love) ooh, baby
