When the night has come, and the land is dark  
And the moon is the only light we will see  
No, I won't be afraid, oh, I won't be afraid  
Just as long as you stand, stand by me  
So darlin', darlin' stand by me  
Oh stand by me  
Oh stand, stand by me, stand by me

If the sky that we look upon should tumble and fall  
Or the mountain should crumble to the sea  
I won't cry, I won't cry, no, I won't shed a tear  
Just as long as you stand, stand by me  
And darlin', darlin' stand by me  
Oh stand by me  
Whoa stand now, stand by me, stand by me  
\*Solo\*

And darlin', darlin' stand by me  
Oh stand by me  
Oh stand now, stand by me, stand by me

Whenever you're in trouble won't you stand by me  
Oh stand by me  
Whoa stand now, oh stand, stand by me...

Whenever you're in trouble won't you stand by me  
Oh stand by me  
Whoa stand now, oh stand, stand by me...  
\*fade\*
