Too bad for me, too bad  
I'll be your fool again  
Because I love you, yes, I do

You're now with someone new  
While I wait in vain for you  
It's too bad, too bad  
My heart must pay

You know I've thought of you  
Holding him tenderly  
Telling him things you told to me

I know it was all wrong, my sweet  
I wonder what's come over you  
It's too bad, too bad  
But I must pay

You didn't mind not seeing me  
Every, every, every day  
Oh, waiting weeks by the telephone

I'm sorry for the way  
I mistreated you  
You were all alone

It's sad, my dear, it's sad  
I'm sure we're both to blame  
Some day again our hearts will meet

Until that day comes  
I'll leave you in his arms  
And I'll say too bad  
But I must pay

And I'll say too bad  
But I must pay  
Baby, baby, baby  
It's bad but I must pay

And I know, I know that it's

Terrible, terrible, darling  
But I've got to pay  
Baby, and it's bad, bad...
