She called me gombo, she did, nothing no more, sweet operator

Could you get me more, gotta live on a side of a sinner cause I love a dancing break

Don't date a trick colour, sweet addiction

Why could you get me more, more soul affiction

Give me vibration, give me vibration

Gotta live on a side of a sinner cause I love a dancing break

You got me on my knees, hallalujah, sweet hardcore angel

Why could you get me more, give me vibration, give me vibration

Gotta live on a side of a sinner cause I love a dancing break

Gotta live on a side of a sinner cause I need to feed my brink

I feel vibration flowing down my inner soul

I feel a rhytm, maybe the rhytm of love

Give me vibration, give me vibration, give me vibration, give me vibration

Gotta live on a side of the sinners cause I need to feed my brink

I feel vibration flowing down my inner soul

I feel a rhytm, maybe the rhytm of love

Give me vibration, take me for a ride

Give me vibration, take me for a ride

Give me vibration, take me for a ride

Give me vibration
