Give me a reason  
I'll give you good advice  
Consider all the options  
And think it over twice  
The perfect execution  
Has got to be well planned  
Get yourself the right tools  
And wash those dirty hands

Fast and painless  
Sharp and stainless  
Creatures always have to die  
Fast and painless  
Hard and shameless  
No remorse make sure they fry  
Carnivore until I die

Don't think it's over  
Once the work is done  
Throw away the skin and bones  
And wipe away the crumbs  
Invite you're friends  
Lay it up and hope that they can't tell  
If no one smells the difference  
You know that it's done well

Fast and painless  
Sharp and stainless  
Creatures always have to die  
Fast and painless  
Hard and shameless  
No remorse make sure they fry  
Fast and plainless  
Sharp and stainless  
Creatures always have to die  
Carnivore until I die

Don't forget to watch the clock  
That's a big mistake  
The more severe the damage is  
The less you can escape  
Regrets are fucking pointless

Once it's overdone  
The last advice I give you  
Is don't tell anyone

Fast and painless  
Sharp and stainless  
Creatures always have to die  
Fast and painless  
Hard and shameless  
No remorse make sure they fry  
Fast and painless  
Sharp and stainless  
Creatures always have to die  
Fast and painless  
Hard and shameless  
No remorse make sure they fry  
Creatures always have to die
