You say destiny decided what was meant to be  
I say I decide myself, what's to become of me  
Simon says there's not a chance we'll ever get along  
None of us say anything but we both think he's wrong

You say we can't choose the path of life we walk upon  
I say I already know which path I'm walking on  
Simon says to both of us, we're not allowed to move  
None of us say anything but we both disapprove

Simon says  
Simon says  
Simon says  
Simon says  
Simon says

You say we can't change the world if it can't change  
itself  
I say I can't change the world before I change myself  
Simon says we're not allowed to change the world we  
see  
None of us say anything but we both disagree

Simon says  
Simon says  
Simon says  
Simon says  
Simon says

Simon says  
Simon says  
Simon says  
Simon says  
Simon says

Simon says  
Simon says
