I can't light no more of your darkness
All my pictures seem to fade to black and white
I'm growing tired and time stands still before me
Frozen here on the ladder of my life

It's much too late to save myself from falling
I took a chance and changed your way of life
But you misread my meaning when I met you
Closed the door and left me blind by the light

Oh, Don't let the sun go down on me, yeah
Although I search myself, there's always someone else
I see
I'd just allow a fragment of your life to wander free,
yeah
Because losing everything feels like the sun going
down on me

I can't find, oh, the right romantic line
But see me once and see the way I feel
Don't discard me, oh, just because you think I mean
you harm
But these cuts I have, they need love to help them heal

Oh, Don't let the sun go down on me, yeah
Although I search myself, there's always someone else
I see
I'd just allow a fragment of your life to wander free,
yeah
Because losing everything is like the sun going down
on me

Don't let the sun go down on me
Although I search myself, there's always someone else
I see
I'd just allow a fragment of your life to wander free,
yeah
Because losing everything is like the sun going down
on me,
On me.
