Don't get so busy that you miss  
Giving just a little kiss  
To the ones you love  
And don't even wait a little while  
To give them a little smile  
A little is enough

How many people are crying  
Some people are dying...  
How many people are askin' for love

Don't save it all for Christmas Day  
Find a way  
To give a little love everyday

Don't save it all for Christmas Day  
Find a way  
Cause holidays have come and gone  
But love lives on  
If you give on  
Love...

How could you wait another minute  
A hug is warmer when you're in it  
Oh Baby that's a fact  
And saying "I love you's" always better  
Seasons, reasons, they don't matter  
So don't hold back  
How many people in this world  
So needful in this world  
How many people are praying for love  
Don't save it all for Christmas Day  
Find a way  
To give a little love everyday  
Don't save it all for Christmas Day  
Find a way  
Cause holidays have come and gone  
But love lives on  
If you give on  
Give love.....

Let all the children know

Everywhere that they go  
Their whole life long  
Let them know love

Ohhhhhhhhhhhhhhhhhhhhhh *[sung over Don't save it all  
for Christmas Day]*  
Yeah, and give a little love everyday

Don't save it all for Christmas Day  
Find a way  
Cause holidays have come and gone

*[fading]*  
Don't save it all for Christmas Day  
Find a way  
To give a little love everyday

Don't save it all for Christmas Day  
Find a way  
Cause holidays have come and gone
