[originally performed by Paul Young]

Baby, if we can't solve any problems
Why do we lose so many tears?
Oh, so you go again
When the leading man appears
Always the same theme
But can't you see we've got everything going on and on
and on

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you

([Background vocals:] Everytime You Go..)

Go on and go free
Maybe you're too close to me
I can feel your body move
But does it mean that much to me
I can't go on singing the same theme
Can't see we've got everything
Baby, even though you know

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you
Ohhhhhhh oooohhhh,
Everytime you go away

I can't go on singing the same theme
Baby, can't you see we've got everything going on

Everytime you go away
You take a piece of me with you
Everytime you go away
You take a piece of me with you
Ohhh,
Everytime you go away

Yeah,
You take a piece of me with you
Ooooooh,
Everytime you go away
Yeah,
You take a piece of me with you
Ohhhhhhh oooohhhh,
