KIMBERLY

Who knows what tomorrow brings
In a world few hearts survive

CLAY

All I know is the way I feel
When it's real you keep it alive

RUBEN

The road is long
There are mountains in our way

TOGETHER

But we climb a step everyday
Love lift us up where we belong
Where the eagles fly on the mountain high
Love lift us up where we belong
Far from the world we know
Up where the clear winds blow
Love lift us up where we belong

KIMBERLY

I sat here staring at the same old wall
Came back to life just when I got your call

TOGETHER

I wish I could climb right through the telephone line
And give you what you want so you will still be mine hey

CLAY

Listen baby this is solid love
And you're exactly what I'm dreaming of

RUBEN

All through the day and sugar all through the night
I'll give you all the love I have with all my might hey

TOGETHER

Reunited and it feels so good
Reunited cuz we understood
There's one perfect fit and sugar this one is it
We both are so excited cuz we reunited hey

KIMBERLY

And soon both of us learn to trust

CLAY

Not run away, give us no time to play

RUBEN

We build it up and build it and build it up

TOGETHER

And now were solid, solid as a rock

That's what this love is

That's what we are, oh

Solid, Solid as a rock

And nothings changing, feelings still hot

Solid, solid as a rock

Solid, solid as a rock
