I solved my problems
And I see the light
We've got a lovin' thing
We gotta feed it right
There ain't no danger
We can go too far
We start believin' now
That we can be who we are

Grease is the word
(Grease is the word
Is the word that you heard)
It's got a groove
It's got a meanin'
Oh grease is the time
Is the place
Is the motion
Grease is the way we are feelin'

This is a life of delusion
Wrapped up in trouble
Laced in confusion
What are we doin' here

(Grease is the word
Is the word that you heard)
It's got a groove
It's got a meanin'
Oh 'cause grease is the time
Is the place
Is the motion
Grease is the way we are feelin'

(Grease is the word
Is the word that you heard)

Grease is the word
