I saw my problems and I see the light
We gotta lovin' thing
We gotta feed it right
There ain't no danger
We can't go too far
We start believin' now
Then we can be who we are
Grease is the word
Its got groove
Its got meaning
OH!
Grease is the time,
Is the place,
Is the motion
Grease is the way we are feelin'
This is a life of illusions
Wrapped up in trouble
Less then confusion
What are we doing here
Its got groove it's got meaning
Ohhhh!
Grease is the time,
Is the place,
Is the motion
Grease is the way we are feelin'
Greeeeaaaase
Is the word
