Day or night  
Find your delight in knowing that God is love  
God is love  
Rain or shine  
Find your peace of mind in knowing that God is love  
God is love  
Weary feet can dance in the wake of circumstance  
When you remember Oh, child  
God is love  
God is love  
God is love  
God is love  
East and West  
May every soul find rest in knowing that God is love  
God is love  
Far and near  
May each one hear the truth that God is love  
God is love  
So that their spirits can rejoice  
Oh, heed the still, small voice  
Saying to us  
Oh, children  
I am love  
Oh, children  
I am love  
I am love  
I am love  
I am love  
I am love  
In the beginning was love breathing life into creation  
And for eternity there will be love  
Therin lies our salvation  
God is love  
Oh, people  
God is love  
Oh, listen  
God is love  
Oh, children  
God is love  
God is love  
God is love
