Here
Making each day of the year
Changing my life with a wave of her hand
Nobody can
Deny that there's something there

There
Running my hands through her hair
Both of us thinking how good it can be
Someone is speaking, but she doesn't know he's there

I want her everywhere
And if she's beside me, I know I need never care
But to love her, is to need her
Everywhere
Knowing that love is to share
Each one believing that love never dies
Watching her eyes
And hoping I'm always there
I will be there
And everywhere

Here
There
And everywhere
