Here you come again
Just when I've begun to get myself together
You waltz right in the door
Just like you've done before
And wrap my heart round your little finger

Here you come again
Just when I'm about to make it work without you
You look into my eyes
And lie those pretty lies
And pretty soon I'm wonderin how I came to doubt you

All you gotta do is smile that smile
And there go all my defenses
Just leave it up to you
And in a little while
You're messin up my mind
And fillin up my senses

Here you come again
Lookin better than a body has a right to
And shakin me up so
That all I really know
Is here you come again
And here I go...
Here I go...
Here I go...

All you gotta do is smile that smile
And there go all my defenses
Just leave it up to you
And in a little while
You're messin up my mind
And fillin up my senses

Here you come again
Oh lookin better than a body has a right to
And shakin me up so
That all I really know
Is here you come again
And here I go...
Here I go...

Here I go...
Here you come again
Here I go...
Here I go...
Here I go...
