Ooh, Sugar Pie Honey Bunch
You know that I love you
Oh, I can't help myself
I love you and nobody else

In and out my life
You come and you go
Leavin' just your picture behind
And I kissed it a thousand times

When you snap your finger
Or wink your eye
I come runnin' to you
I'm tied to your apron strings
And there's nothin' that I can do

Girl, I call your name
Oh, it starts a flame
Burnin' in my heart
Tearin' me apart
No matter how I try
My love, I just can't hide

Sugar Pie Honey Bunch
You know that I'm weak for you
Oh, I can't help myself
I love you and nobody else

Sugar Pie Honey Bunch!
