Lying here with you
Listening to the rain
Smiling just to see
A smile upon your face

These are the moments
I thank God that I'm alive
These are the moments
I remember all my life
I found all I've waited for
And I could not ask for more

I could not ask for more than this time together
Could not ask for more than this time with you
Every prayer I had's been answered
Every dream I had's come true
Yeah right here in this moment
Is right where I'm meant to be
Oh here with you here with me

Oh I could not ask for more than the love you give me
Cuz it's all I've waited for
And I could not ask for more
I could not ask for more
