If you don't know me by now  
You will never, never, never know me  
Oooooo

All the things  
That we've been through  
You should understand me  
Like I understand you  
Now baby I know the difference  
Between right and wrong  
I aint gonna do nothing  
To upset a happy home

So don't get so excited  
When I come home late at night  
Cause we only act like children  
When we argue fuss and fight

If you don't know me by now  
You will never, never, never know me  
Oooooo  
If you don't know me by now  
You will never, never, never know me  
Oooooo

We all got our own funny moods  
I've got mine  
Woman you've got yours too

Just trust in me  
Like I trust in you  
So long as we've been together  
That should be so easy to do

Ohhh, just get yourself together  
Or we might as well say good-bye  
What good is a love affair?  
When we can't see eye to eye

If you don't know me by now  
You will never know me  
You will never, never, never, never, never know me

If you don't know me by now  
You will never never never know me  
You'll never, never, never, never... know me  
By now  
You will never, never, never know me  
Ooooo  
If you don't know me by... now  
You'll never know  
Never know me  
Oooooo
