We agreed that it was over  
Now the lines have all been drawn  
Vows we made  
Began to fade  
But now they're gone

Put your pictures in a shoebox  
And my gold ring in a drawer  
I'm not supposed to love you anymore

Now Sherri says she's jealous  
Of this freedom that I found  
If she were me, she would be  
Out on the town

And she says she can't imagine  
What on earth I'm waitin' for  
I'm not supposed to love you anymore

Oh I shouldn't care or wonder where and how you are  
But I can't hide this hurt inside my broken heart  
I'm fighting back emotions that I've never fought  
before  
Cause I'm not supposed to love you anymore

Now I'm writin you this letter  
And it's killing me tonight  
That I agreed, when you believed it wasn't right  
And I couldn't sleep up on the bed  
So I'm down here on the floor  
Where I'm not supposed to love you anymore

Oh I shouldn't care or wonder where and how you are  
But I can't hide this hurt inside my broken heart  
I'm fightin back emotions that I've never fought before  
Cause I'm not supposed to love you anymore

I'm fightin back emotions that I've never fought before  
Cause I'm not supposed to love you anymore
