I am amazed,
When I look at you,
I see you smiling back at me.
It's like all my dreams come true.
I am afraid,
If I lost you, Girl,
To fall through the cracks and lose my track,
In this crazy, lonely world.

Sometimes it's so hard to believe,
When the nights can be so long.
Faith gave me the strength,
That kept me going on.

Chorus:

You are the Love of my life,
And I'm so glad you found me!
You are the Love of my life,
And Baby put your arms around me.
I guess this is how it feels,
When you finally find something real.
My angel in the night,
You are my love, Love of my life!

Now here you are:
Midnight closing in,
You take my hand as our shadows dance,
With moonlight on your skin.
The look in your eyes,
I'm lost inside your kiss.
I think if I'd never met you,
About all the things I'd miss.

Sometimes it's so hard to believe,
When love can be so strong.
And faith gave me the strength,
That kept me holding on.

Chorus:

You are the Love of my life,
And I'm so glad you found me!
You are the love of my life,

And Baby put your arms around me.
I guess this is how it feels,
When you finally find something real.
My angel in the night,
You are my love, Love of my life!

You are the Love of my life,
And I'm so glad you found me.
You are the love of my life,
And Baby put your arms around me.
I guess this is how it feels,
When you finally find something real,
My angel in the night, you are my love,
My angel in the night. you are my love,
Love of my life!
Oh-ohh
