Do you remember me?
I sat upon your knee
I wrote to you
With childhood fantasies
Well I'm all grown up now
Can you still help somehow?
I'm not a child
But my heart still can dream

So here's my lifeful wish
My grown up Christmas List
Not for myself
But for a world in need

No more lives torn apart
That wars will never start
And time will heal our hearts
Every man will have a friend
That right will always win
And love will never end
This is my grown up
Christmas List

May kindness rules our lives
Not just the strong survive
Sweet tears
For all the thousand years
On mind
This is the world I pray
We will all share some way
Help me begin
By reaching out my hand

No more lives torn apart
That wars will never start
And time will heal our hearts
Every man will have a friend
That right will always win
And love will never end
This is my grown up
Christmas List

Why does this illusion
Call the innocence of you?
Maybe when the time believe
We can find the truth
No

No more lives torn apart
That wars will never start
And time will heal our hearts
Every man will have a friend
That right will always win
And love will never end
This is my grown up
Christmas List

This is the prayer
That I will keep
This is my grown up
Christmas list
Christmas list
