One voice singing in the darkness
All it takes is one voice
Singing so they hear what's on your mind
And when you look around you'll find
There's more than one voice starting on its own
We need just one voice facing the unknown
And then that one voice would never be alone
All it takes is one voice

Just one voice
Singing in the darkness
All it takes is one voice
Shout it out and let it ring!

Just one voice
It takes that one voice
And ev'ry one will sing
