All I wanna do when I wake up in the morning is see you
eyes
Rosanna, Rosanna
Didn't know that a girl like you could make me feel so
bad
Rosanna

All I wanna do in the middle of the evening is hold you
tight
Rosanna, Rosanna
Didn't know you were lookin for more then I could ever
give

Not quite a year since she went away
Rosanna yeah
Now shes gone and I have to say

Meet you all the way
Meet you all the way
Rosanna yeah

Meet you all the way
Meet you all the way
Rosanna yeah

I can see your face still shining through the window on
the other side
Rosanna, Rosanna
I didn't know that a girl like you could make me feel so
bad
Rosanna

All I wanna tell you is now you'll never ever have to
compromise
Rosanna, Rosanna
Didn't know you were lookin for more then I could ever
give

Not quite a year since she went away
Rosanna yeah
Now shes gone and I have to say

Meet you all the way
Meet you all the way
Rosanna yeah

Meet you all the way
Meet you all the way
Rosanna yeah
