You can live your life in a different world
Spend your time lookin' for a different girl
Carry on like there ain't no tomorrow

You can take your mind to a different plane
Push it to the edge and forget your name
Lose it all and you will beg, steal or borrow

But I don't want to live that way
Be another helpless stray
I'm lookin' for the truth today
And it's somethin' I've been prayin' for

Chorus:

I wanna be a sold out believer
I wanna follow my Lord completely
I don't wanna waste another day
I gotta love Him all the way
I want to be a sold out believer

You can put your faith in the moon and stars
Say there's really nothin' to the very scars
That belong to the hands of the Father

You can say the man wasn't what he seemed
Callin' Him a fool with a crazy dream
And in the end He was just another martyr

But let me tell you how I feel
I believe His love can heal
Yeah I know what He did was real
And it's somethin' I've been livin' for

Repeat chorus

I gotta give my all
Don't wanna go half way
I gotta show my love
Don't have to be afraid
Gotta lay it on the line
Workin' overtime believer

But let me tell you how I feel
I believe His love can heal
Yeah I know what He did was real
And it's somethin' I've been dyin' for.

Repeat chorus
