somewhere out there beneath the pale moon light
someone's saying a prayer
that we'll find one another
in the big somewhere out there
and even though i know how very far apart we are
it helps to think that we might be wishing on the same
bringt star
and when the night wind starts to sing a lonesome
lullaby
it helps to think we're sleeping underneath the same
big sky
somewhere out there
if love can see us through
then we'll be together
somewhere out there
out where dreams
come true...
