Somewhere out there
Beneath the pale moonlight
someone's thinkin' of me
And loving me tonight

Somewhere out there
Someone's saying a prayer
That we'll find one another
In that big somewhere out there

Even though I know
How very far apart we are
It helps to think we might
Be wishin on the same bright star
And when the night winds starts
To sing a lonesome lullaby
It helps to think we're sleeping
Underneath the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true
