We're caught in a trap, I can't walk out
Because I love you too much, baby
Why can't you see what you're doing to me
When you don't believe a word I say?

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

So if an old friend I know, drops by to say hello
Would I still see suspicion in your eyes?
Here we go again asking where I've been
And you can't see these tears are real, I'm crying

We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds

Oh, let our love survive
Oh, dry these tears from your eyes
Let's not let a good thing die
When you know I've never lied to you, no, no

We're caught in a trap, I can't walk out
Because I love you too much, baby
Why can't you see what you're doing to me
When you don't believe a word I say?

We can't go on together
With suspicious minds
(Suspicious minds)
And we can't build our dreams
On suspicious minds

Oh, we're caught in a trap, I can't walk out
We're caught in a trap, I can't walk out
(Suspicious minds)
Oh, why can't you see, I love you too much, baby
(Suspicious minds)

We're caught in a trap, I can't walk out, I can't walk out
(Suspicious minds)
I can't walk out, I can't walk out
(Suspicious minds, suspicious mind)
