Listen boy
I don't wanna see you
Let a good thing slip away
You know I don't like watchin'
Anybody make the same
Mistakes I made
She's a real nice girl
And she's always there for you
But a nice girl wouldn't tell you what to do

Tell her about it
Tell her everything you feel
Give her every reason
To accept that you're for real
Tell her about it
Tell her all your crazy dreams
Let her know you need her
Let her know how much she means
Tell her about it
Tell her how you feel right now
Tell her about it
Tell her girl cause she can't wait long
Tell her about it
Tell her now and you can't go wrong
Tell her about it
