When the world wasn't upside down  
I could take all the time I had  
But I'm not gonna wait when a moment can vanish so  
fast  
'Cause every kiss is a kiss you can never get back

Lift me up in your eyes  
If you told me that is what heaven is, well, you'd be  
right  
I've been waiting forever for this, this is the night

When the answer to all my dreams  
Is as close as a touch away  
Why am I here holding back  
What I'm trying to say?

Lift me up in your arms  
If you told me that is what heaven is, well, you'd be  
right  
Hold me close to your heart  
I would go with you to the ends of the Earth and we'll fly  
I've been waiting forever for this, this is the night

This is the night where we capture forever  
And all our tomorrows begin  
After tonight we will never be lonely again

Lift me up in your arms  
If you told me that is what heaven is, well, you'd be  
right  
Hold me close to your heart  
I would go with you to the ends of the Earth and we'll fly  
I've been waiting forever for this, this is the night
