There's a light
A certain kind of light
That never shone on me
I want my life to be
To live with you
To live with you

There's a way
Everybody's sayin
To do each and every little thing
But what does it mean
If I ain't got you
If I ain't got you

Baby you don't know what it's like
Oh no you don't know what it's like
To love somebody
To love somebody
The way I love you

To love somebody
To love somebody
To love somebody
To love somebody
The way I love you
