There's a light
A certain kind of light
That never shown on me
I want my life to be
To live with you
To live with you
There's a way
Everybody said
To do each and every little thing
But what does it mean
If I don't got you
If I don't got you
Baby, you don't know what it's like
Oh no, you don't know what it's like
To love somebody
To love somebody
The way I love you
To love somebody
To love somebody
To love somebody
To love somebody the way I love you
