When I need you  
I just close my eyes and Iâ€™m with you  
And all that I so want to give you  
Itâ€™s only a heartbeat away  
When I need love  
I hold out my hand  
And I touch love  
I never knew there was so much love  
Keeping me warm night and day

Miles and miles of empty space in between us  
A telephone canâ€™t take the place of your smile  
But you know I wonâ€™t be travellinâ€™ a lifetime  
Itâ€™s cold out  
But hold out  
And do like I do  
When I need you  
I just close my eyes and Iâ€™m with you  
And all that I so want to give you babe  
Itâ€™s only a heartbeat away

Itâ€™s not easy when the road is your driver  
Honey thatâ€™s a heavy load that we bear  
But you know I wonâ€™t be travellinâ€™ a lifetime  
Itâ€™s cold out  
So hold out  
And do like I do  
When I need you

When I need love  
I hold out my hands  
And I touch love  
I never knew there was so much love  
Keeping me warm night and day

When I need you  
I just close my eyes and youâ€™re right here by my side  
Keepinâ€™ me warm night and day  
I just hold out my hands  
I just hold out my hands  
And Iâ€™m with you darlinâ€™  
Yes Iâ€™m with you darlinâ€™

All I wanna give you  
It's only a heartbeat away  
Oh I need you darlin'
