[originally performed by Bad English]

Sometimes I wonder
If I'd ever make it through
Through this world
Without having in you
I just wouldn't have a clue
Cause sometimes it seems
Like this world's closing in on me
And there's no way of breaking free
And then I see you reach for me
Sometimes I wanna give up
Wanna give in
I wanna quit the fight
And then I see you baby
And everything's alright
Everything's alright
When I see you smile
I can face the world
Oh you know I can do anything
When I see you smile
I see a ray of light
Oh I see it shining
Right through the rain
When I see you smile
Baby when I see you smile at me
Oh yeah
Baby there's nothing in this world that could ever do
What the touch of your hand can do
It's like nothing that I ever knew
Hey
And when the rain is falling
I don't feel it
Cause you're here with me now
I wanna ask you baby
It's all I'll ever need
All I'll ever need
When I see you smile
I can face the world
Oh you know I can do anything
When I see you smile
I see a ray of light

Oh I see it shining
Right through the rain
When I see you smile baby
Baby when I see you smile at me
Sometimes I wanna give up
I wanna give in
I wanna quit the fight
Then one look at you baby
And everything's alright
Hey everything's alright
It's alright
When I see you smile
I can face the world
Oh you know I can do anything
When I see you smile
I see a ray of light
Oh I see it shining
Right through the rain
Yeah
When I see you smile
Yeah I can face the world
Oh you know I can do anything now
When I see you smile
Oh yeah
Baby when I see you smile
Smile at me
