It must have been cold
There in my shadow
Cause you never have sunlight
On your face
You've been content to let me shine
You always walk a step behind

While I was the one
With all the glory
You were the one
With all the strain
A beautiful face
Without a name
A beautiful smile
To hide the pain

Did you ever know
That you're my hero
And everything
I'd like to be
I can fly higher
Than an eagle
When you are the
Wind beneath my wings

It might have appeared
To go unnoticed
But I've got it all
Here in my heart
I want you to know
I know the truth
I would be nothing
Without you

Did you ever know
That you're my hero
And everything
I'd like to be
I can fly higher
Than an eagle
When you are the
Wind beneath my wings

'Cause you are the
Wind beneath my wings
