Oh, I can't forget this evening
Or your face when you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes
Your sorrow shows, yes, it shows

Oh, I can't forget tomorrow
When I think of all my sorrow
And I had you there, but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live, if living is without you
I can't live, I can't give anymore
I can't live, if living is without you
I can't live, can't give anymore

Oh, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile, but in your eyes
Your sorrow shows, yes, it shows

I can't live, if living is without you
I can't live, can't give anymore
I can't live, if living is without you
I can't live, can't give anymore

I can't live, if living is without you
Can't live, can't give anymore

I can't live, if living is without you
I can't live
