If the sky above you
Should turn dark
And full of clouds
And that old north wind
Should begin to blow
Keep your head together now
And call my name out loud
Soon I'll be knocking
Upon your door

You just call out my name
And, you know
Wherever I am
I'll come running
To see you again
(Just to see you again)
Winter, spring, summer or fall
All you've got to do is call
And I'll be there
Yes I will

Hey, ain't it good to know
That you've got a friend
When people can be so cold
They hurt you and desert you
Well, they take your soul
If you let them
Oh, but don't you let them

You just call out my name
And, you know, wherever I am
I'll come running
To see you again
(Just to see you again)
Winter, spring, summer or fall
All you've got to do is call
And I'll be there, yes I will

You've got a friend
(You've got a friend)
You've got a friend
(You've got a friend)

Hey ain't it good to know
You've got a friend
(You've got a friend)
You've got a friend
