What do you do? I said what do you do?  
You ain't wearin' a tie, you ain't got a jacket  
You can't come in 'cos you're in the wrong bracket  
You can shove it  
VIP's and royalty get treated like they're special see  
But the trick is there for all to see  
They're people just like you and me  
You can shove it  
Girls - we love it  
Cars - we love it  
More girls - we love it  
Late night bars - we love it  
Pool - we love it  
School - fantasy  
What do you do?  
You can shove it  
You gotta talk, act and dress right  
If you ain't got money, they treat ya funny  
When they say the class system's dead  
If you think that's true better get a new head  
You can shove it  
You can shove it  
You can shove it  
Girls - we love it  
Cars - we love it  
More girls - we love it  
And late night bars - we love it  
Pool - we love it  
School - shove it  
What do you do?  
Shove it,  
You can shove it.  
So why do people scrape and fuss  
When everyman's the same as us  
It's a joke on all humanity  
It's privilege  
And we don't need it  
War - shove it  
Hate - shove it  
Politicians - don't cut it  
Blind dates - shove it  
Girls schools - we love it

Crazy rules - shove it  
What do you do?  
You can shove it  
You can shove it...etc.
