Many men will drink the rain and turn and thank the
clouds

Many men will hear you speak, then will never turn
around

But I will not forget you
You are my god, my king
With a thankful heart I bring my offering
And my sacrifices are not what you can give
But what I alone can give to you
A grateful heart I give
A thankful prayer I pray
While I dance I dance before you
A love song I sing
A huge bell I ring
A life of praise I live before you
I live before you

Many men will pour their gold
And serve the thing that shines
Many men will heed your words
They will never change their minds

But I will not forget you
You are my god, my king
With a thankful heart I bring my offering
And my sacrifices are not what you can give
But what I alone can give to you
A grateful heart I give
A thankful prayer I pray
While I dance I dance before you
A love song I sing
A huge bell I ring
A life of praise I live before you
I live before you
But I will not forget you
You are my god, my king
With a thankful heart I bring my offering
And my sacrifices are not what you can give
But what I alone can give to you
