There came a time when I realized  
My life was not my own  
God above placed a seed of faith in me  
That grew into a world I never known

A kind of love my heart was never shown  
Lord, You found me  
Now every part of me forever wants to please  
The God that made me His own

I promise Lord, that I'll seek You  
I'll promise all of my ways  
I promise I'll keep standing  
To the end of my days  
I'll follow Your light and make a home  
Close to Your heart

I make it a promise

The morning light rains its glory down  
In streams into my soul  
I stretch my arms to the heavens high above  
The beauty of Your world before my eyes

Fills me with the love deep inside  
Lord, I love You  
Every step I go alone, I know that I belong  
To the one who calls me his own

I promise Lord, that I'll seek You  
I'll promise all of my ways  
I promise I'll keep standing  
To the end of my days  
I'll follow Your light and make a home  
Close to Your heart

I want to be devoted to You  
Abandoning everything I do  
To dedicate all that I am  
In Your strength I can stand  
I will stand

I promise Lord, that I'll seek You  
I'll promise all of my ways  
I promise I'll keep standing  
To the end of my days  
I'll follow Your light and make a home  
Close to Your heart

I promise Lord, that I'll seek You  
I'll promise all of my ways  
I promise I'll keep standing  
To the end of my days  
I'll follow Your light and make a home  
Close to Your heart

I promise Lord, that I'll seek You  
I'll promise all of my ways  
I promise I'll keep standing  
To the end of my days  
I'll follow Your light and make a home  
Close to Your heart
