You can live your life in a different world  
Spend your time lookin' for a different girl  
Carry on like there ain't no tomorrow

You can take your mind to a different plane  
Push it to the edge and forget your name  
Lose it all and you will beg, steal or borrow

But I don't want to live that way  
Be another helpless stray  
I'm lookin' for the truth today  
And it's somethin' I've been prayin' for

I wanna be a, a sold out believer  
I wanna follow my Lord completely, yeah  
No, I don't wanna waste another day, I gotta love Him  
all the way  
I want to be a, a sold out believer, yeah

You can put your faith in the moon and stars  
Say there's really nothin' to the very scars  
That belong to the hands of the Father

You can say the man wasn't what he seemed  
Callin' Him a fool with a crazy dream  
And in the end He was just another martyr

But let me tell you how I feel  
Yeah, I believe His love can heal  
Yeah, I know what He did was real  
And it's somethin' I've been livin' for

I wanna be a sold out believer  
I wanna follow my Lord completely, yeah  
No, I don't wanna waste another day, I gotta love Him  
all the way  
I wanna be a, a sold out believer, believer, believer  
Believer, believer, believer, believer, believer

I gotta give my all, don't wanna go half way  
I gotta show my love, don't have to be afraid  
Gotta lay it on the line, workin' overtime, believer

But let me tell you how I feel  
I believe His love can heal  
And I know what He did was real  
And it's somethin' I've been dyin' for

I wanna be a, a sold out believer  
I wanna follow my Lord completely, yeah  
No, I don't wanna waste another day, I gotta love Him  
all the way  
I want to be a, a sold out believer, believer, believer
