(Verse 1)

I've been up all night long  
Just waiting on the sun  
I've given up, damn the dawn  
It aint never gonna come  
Something's wrong  
As long as you're gone

(Chorus)

I'm not gonna sleep till i touch your face  
Baby not a wink, i could go for days  
If you ever needed to see me down on my knees  
Take a look at me  
Baby i can't sleep

(Verse 2)

Remember when you said we wouldn't last  
I couldn't swallow my pride  
It's sinking in  
Baby losing you has finally opened my eyes  
I'm wide awake  
As long as it takes

(Chorus x3)

I'm not gonna sleep till i touch your face  
Baby not a wink  
I can't sleep
