What's that I hear angles singin
Tellin me to make my move
Listen to it their voices ringin baby
If you feel it Get in the groove

-Chorus-

Love is a rhythm of two hearts beating
Poundin out a message steady and true
Talk to me baby tell me what you're feelin
I know what love is, What's it to you

Time's up trains a leavin baby
Are you ready to take that ride
Get on board, don't keep me waitin baby
Say you're willing to cross that line

-Chorus-

Love is a rhythm of two hearts beating
Poundin out a message steady and true
Talk to me baby tell me what you're feelin
I know what love is, What's it to you

I'm sure you're heart is telling you true
I gotta know what love is to you

Cause to me it's the rhythm of two hearts beating
Poundin out a message steady and true
Talk to me baby tell me what you're feelin
I know what love is, What's it to you

Love is a rhythm of two hearts beating
Poundin out a message steady and true
Talk to me baby tell me what you're feelin
I know what love is, What's it to you
I know what love is what's it to you
