(Bucky Jone/Ed Hill)

Kindergarten, five years old  
You and me and mother goose  
Learning lines to nursery rhymes  
That's when I feel in love with you

Back when it was  
One, two buckle my shoe  
Three Four shut the door  
Five Six pick up sticks  
Even then my heart was yours

College days miles apart  
So afraid you'd forgot  
Writing letters every day  
And ending every one like this

One two I miss you  
Three Four I walk the floor  
Five Six come back quick  
I don't wanna miss you no more

A little girl and little boy  
Playing on a swing in the yard  
As we watch I hold your hand  
And you're still holding onto my heart

And now it's  
One two I love you  
Three four lets have one more  
Five six I wouldn't miss  
A day of this for all the treasure on the ocean floor

One two I love you  
Three four let's shut the door  
Five six, kiss after kiss  
I can't wait to hold you once more
