She got my full attention  
With an out of nowhere question  
I thought she knew the answer to

She felt the need to ask  
'Cause just last night she'd had  
Some crazy dream about losin' me

And she said, "Do I still turn you on  
And fill your every need  
I need to hear you say, you still love me"

"And I don't mean sometimes  
Not almost always  
Not a little or most times  
All night and all day"

"Tell me, I'm in your heart  
And on your mind, baby  
And I don't mean sometimes"

I told her, "Darlin', shake me  
Next time that you're awakened  
By the thought that I could go"

"And I'll take you in my arms  
Oh, with all my heart  
I'll make it clear that I ain't goin' nowhere"

"Yes, you're all I want and all I'll ever need  
I'm still hopelessly in love as I can be"

And I don't mean sometimes  
Not almost always  
Not a little or most times  
All night and all day

Darlin', you're in my heart  
And on my mind, baby  
And I don't mean sometimes  
And I don't mean sometimes

She got my full attention  
With an out of nowhere question  
I thought she knew the answer to
