Daddy waited up
In the kitchen by himself
I came stumbling in that night
With liquor on my breath
He said son I know you live here
But this is still my home
It's my way or the highway
So I said alright I'm gone

And before I slammed that door
I said I hate you
He just shook his head
And said ok

Chorus:
But you can't stop my love for you
It'll be here that's a given
As long as I am living on this Earth
One thing is true.
You can turn away, forget me
Curse my name
But love won't let me let you go
Son always know my love is unconditional

Life is like a circle
It's slowly turning on itself
And girl it took losing you
To finally know how daddy felt

We stood in this bedroom
A year ago today
Hangin' onto pride and anger
As we threw our love away

And before you slammed that door
You said I hate you
But tonight if only you could hear me say

Chorus:
You can't stop my love for you
It'll be here that's a given
As long as I am living on this Earth

One thing is true.

You can turn away, forget me
Curse my name but love won't let me let you go
Girl always know
My love is unconditional

But you need to know
My love, is unconditional
