(Clay Walker/Randy Boudreaux/Kim Williams)

So long, see you around  
Seen all I wanna see of this town  
I'm out of time and I'm out of tears  
Out of my mind and I'm out of here

Who needs the heartache baby who needs the pain  
Who needs to hang around and take the blame  
Who needs a woman to make him blue  
Who needs you baby - I do

Why are you wearing that negligee  
Sure makes it hard to walk away  
I gotta go I can't take this abuse  
Why are you smiling would I lie to you

Who needs the heartache baby who needs the pain  
Who needs to hang around and take the blame  
Who needs a woman to make him blue  
Who needs you baby - I do

You've got your fingers in my hair whisperin' in my ear  
Filling my head full of doubts  
Tell me just what you think you've got  
I can't live without

Who needs the heartache baby who needs the pain  
Who needs to hang around and take the blame  
Who needs a woman to make him blue  
Who needs you baby

Who needs the heartache baby who needs the pain  
Who needs to hang around and take the blame  
Who needs a woman to make him blue  
Who needs you baby - I guess that'd be me

Who needs the heartache baby who needs the pain  
Who needs to hang around and take the blame  
Who needs a woman to make him blue  
Who needs you baby
