Hey, it comes in white. Now I can see the light. Hey, it
comes in black. I'm
never going back. Hey, it comes in green. Like a mean
machine. Hey, tell me
what to do. I played the part for you. You tore my heart
in two. Hey, it comes
in blue. I don't know what to do. Hey, it comes in red.
My soul is dead. Hey,
it comes in grey. All you can do is pray. Hey, tell me
what to say. I played
the part for you. You tore my heart in two. I'm on the
street again. I can't

find my feet again. By the time I'll be seen again, I'll be
squeaky clean
again.
