I was breathin' but Lord I was barely alive  
Findin' reasons for losin' the will to survive  
I pushed the heart far beyond what it could take  
Sometimes something's gotta break

Now it's alright, I think I see a light there up ahead  
Yeah, it's alright, I think I've finally risen from the dead  
The fire inside of me was gone like the wind  
Now it's stirrin' within  
It's coming back again

Down in the ashes of a light that I let bury me  
One hand pullin' me under, and another tryin' to set me  
free  
In the struggle, I know I lost my way  
Somehow I never lost my faith

Now it's alright, I think I see a light there up ahead  
Yeah, it's alright, I think I've finally risen from the dead  
The fire inside of me was gone like the wind  
Now it's stirrin' within  
It's coming back again

Sometimes you stumble over steps you never take  
Sometimes you learn from your mistakes

Now it's alright, I think I see a light there up ahead  
Yeah, now it's alright, I think I've finally risen from the  
dead  
The fire inside of me was gone like the wind  
But now it's stirrin' within  
It's coming back again  
It's coming back again
