In L.A. they love their cars  
Their muscles and their martini bars  
They love to tan, they love their Gucci  
Their Ray-Ban shades and eatin' sushi

Over in Texas they love the cowboys  
From the big city bankers to the plowboys  
They love their Ribeyes, and ropin' steers  
Shootin' Jose Tequila and long neck beers

World's apart for worse or for better  
The one thing that brings us together is

Everybody wants love, love, love  
Everybody wants love  
Everybody needs love, love, love  
Everybody needs love

Over in Nashville they love their country  
Eatin' biscuits and gravy on Sunday  
They love the Opry and George Jones  
Crankin' Sweet Home Alabama and The Rolling Stones

New York, New York big as it gets  
They like to fight between the Yankees and the Mets  
Down the South they love their football  
The Bulldogs and the Longhorns and the Tennessee  
Vols

World's apart for worse or for better  
The one thing that brings us together is

Everybody wants love, love, love  
Everybody wants love  
Yeah everybody needs love, love, love  
Everybody needs love

It makes this whole world turn 'round

'Cause everybody wants love, love, love  
Everybody wants love  
Yeah, won't you give me some love, love, love?

Everybody needs love

Everybody wants love, love, love

Everybody wants love

Oh yeah, don't you know we need love, love, love?

Yeah everybody needs love
