Songwriter: Owen, Randy

(Feat. Randy Owen)

Whisper to me softly
Breathe words upon my skin
No one's near and listenin'
So, please, don't say goodbye

Just hold me close and love me
Press your lips to mine
Mmm-mm-mmm, feels so right
Feels so right

Lying here beside you,
I hear the echos of your sighs
Promise me you'll stay with me
And keep me warm tonight

Just hold me close, and baby, love me
Give my heart a smile
Mmm-mm-mmm, feels so right
Feels so right

Your body feels so gentle
And my passion rise is high
You're lovin' me so easy
Your wish is my command

Just hold me close, and darlin', love me
And tell me it won't end
Mmm-mm-mmm, feels so right
Feels so right

Feels so right
Yeah, you know you feel so right
Feels so right
You feel so right
Feels so right
Feels so right
